The screenshot shows a mobile application interface for 'Investigation and Responsibility'. At the top, there is a status bar with the time '1:13 AM', date 'Wed 28 Aug', and battery level '25%'. Below the status bar is a navigation bar with a back arrow and the title 'Investigation and Responsibility'. The main form area has a dropdown menu set to 'None selected'. There are two radio buttons: 'Discovered by' (unselected) and 'Caused by' (selected). The 'Name*' field contains the text 'hahnana'. Below this is a table with columns 'Group' and 'Code'. A modal dialog is open over the table, listing options: 'Warehouse', 'Landslide', 'Airside', 'Mail' (which is selected with a blue checkmark), and 'Terminal'. At the bottom of the modal are 'CANCEL' and 'Ok' buttons. Below the modal, the form continues with fields for 'Area Supervisor', 'Exact Location', and 'Location Id'. A 'SAVE' button is located at the bottom right of the form.
