The screenshot shows a mobile application interface for 'Investigation and Responsibility'. At the top, there is a status bar with the time '1:13 AM', date 'Wed 28 Aug', and battery level '25%'. Below the status bar is a navigation bar with a back arrow and the title 'Investigation and Responsibility'. The main form area has a dropdown menu set to 'None selected'. There are two radio buttons: 'Discovered by' (unselected) and 'Caused by' (selected). The 'Name*' field contains the text 'hahnana'. Below this is a table with columns 'Group' and 'Code'. A modal dialog is open over the table, listing options: 'Warehouse', 'Landslide', 'Airside', 'Mail' (selected with a blue checkmark), and 'Terminal'. The modal has 'CANCEL' and 'Ok' buttons at the bottom. Below the table, there are fields for 'Area Supervisor', 'Exact Location', and 'Location Id'. A 'SAVE' button is located at the bottom right of the form.
